

General Education Courses

Southwestern College Professional Studies provides a variety of general education courses to help undergraduate learners achieve their bachelor's degree requirements. For learners who enter our program without the required 48 semester hours of general education credits, these classes will help fulfill this requirement.

PSC 225 Composition I
PSC 226 Composition II
PSC 227 Interpersonal Communication
PSC 228 Intermediate Algebra
PSC 229 College Algebra
PSC 230 The Physical World
PSC 231 Sociology
PSC 232 General Psychology
PSC 233 Geography
PSC 234 Elementary Spanish
PSC 244 Elementary Spanish II
PSC 235 World Civilizations
PSC 236 Comparative Religion/Philosophy
PSC 237 Introduction to Computers
PSC 242 Speech
PSC 252 Developmental Psychology
MATH 215 Introduction to Statistics

All classes are 3 credit hours unless otherwise indicated.

All degree requirements are subject to change. Please see Southwestern College Professional Studies Catalog for most current degree requirements.
